

Ψ **Psychology A - Textbook Readings & Associated Out of Class Assignments** Mr. Jancewicz

Homework, a.k.a. OOCA = Introduction or Review & Reinforcement!!!

“A textbook does not make for “best” learning. Information is all around. For effective learning it truly requires a dedicated, motivated seeker of knowledge – trying to make sense of ALL that s/he encounters. Pupils can never be accused of trying to learn too much. It is only a failure not to TRY. Attitude is the KEY!!!” – PJJ, 2013
